

# Wyvern Bus Preservation Group

## Membership Application Form

Wyvern Bus Preservation Group was created to preserve buses from the Wyvern area dating from 1980 to present day. We are currently a small group and we are expanding and all support is welcome by joining as a non-working member or a working member which are both considered of great value to the group. We hope to progress quickly and have buses on the roads in good working order, preserving what we have left of this era in bus history in the local area of Worcestershire and Herefordshire. Wyvern Bus Preservation Group is a great way of learning new skills, making friends and preserving a side of our transport history.

If you would like to join Wyvern Bus Preservation Group then please complete the membership application below. If you have any queries about Wyvern Bus or the application form then please e-mail [admin@wyvernbus.com](mailto:admin@wyvernbus.com)
